It was a great pleasure working with the ladies of the Newton Falls Ladies Fire Auxiliary for our murder/mystery dinner as a fundraiser.

The ladies stepped up and collected all of the sponsorships needed to meet the goals of the production and conducted off-line ticket sales that made this event the success that it has become.

We look forward to working with them on other projects and the future and I would like to personally thank them for the opportunity to allow us to be a part of their fundraising efforts.

Synopsis:

Welcome to the celebration the life of Paddy O'Malley at his favorite pub. All of his family and friends have been asked to come and share their stories and toast his life in a true Irish wake fashion.

Paddy's long time friend Seamus has been asked to make all of the preparations and arrangements for this festive night; however, as the evening unfolds, we find out that Paddy's luck had finally run out and there may have been some foul play involved in his demise. Not only has Seamus been charged with the celebration of his friend, he may even have to be the lead detective in his murder.

Act 1:

Seamus begins the Wake.

What Paddy did not die of natural causes?

Act 2:

Inquest and Pointing the finger.

The Reveal:

Who Actually killed Paddy?

Our Character Biographies

Padraic "Paddy" O'Malley:

Paddy was a widely successful investment broker and had a net worth of more than 500 million dollars. He had many influential friends to include powerful politicians that are local, statewide, and national.

Colleen O'Malley:

Colleen is/was the wife of Paddy O'Malley and is extremely beautiful woman that looks fifteen to twenty years younger than her age. Colleen has always been surrounded by rumors about her affairs, but nothing has ever been substantiated. She stands to be a very wealthy woman, because of her husband's death.

Branna D'arcy:

Branna is Paddy's doctor and life-long friend. She was extremely shocked when Paddy died of a heart attack since she knew he was in great physical and cardiovascular shape. He exercised everyday and passed all of his annual physicals with flying colors.

Fiona Callaghan:

Fiona is Paddy's longtime private secretary and confidant. It has been rumored for years that their association has been more un-professional but no one knows for sure, or do they?

Oh Danny Boy Lyrics

Oh, Danny Boy, the pipes, the pipes are calling
From glen to glen, and down the mountain side,
The summer's gone, and all the roses falling,
It's you, it's you must go and I must bide.
But come ye back when summer's in the meadow,
Or when the valley's hushed and white with snow,
And I'll be here in sunshine or in shadow,
Oh, Danny Boy, oh Danny Boy, I love you so!
But when ye come, and all the flowers are dying,
If I am dead, as dead I well may be,
Ye'll come and find the place where I am lying,
And kneel and say an "Ave" there for me;
And I shall hear, though soft you tread above me,
And all my grave will warmer, sweeter be,
For you will bend and tell me that you love me,
And I shall sleep in peace until you come to me!
